**Description** The DreamLine Charisma shower or tub door has a contemporary, bold frameless design, bringing the functionality and convenience of a double sliding bypass action to your bathing area. The Charisma glides smoothly on sleek top and bottom rails, without the significant framing of a typical bypass shower door. The Charisma model provides an innovative design adding style to any bathroom space. Choose DreamLine for the ultimate solution for your shower project.

## Features

- Double sliding bypass configuration allows entry to the shower from left or right side
- **ATTENTION!** This model has NO adjustment for out-of-plumb (uneven) walls
- Top and bottom guiderails can be trimmed up to 4" for width adjustment
- Two convenient towel bars double as handles on each panel
- 5/16" (8mm) thick ANSI certified clear tempered glass
- Anodized aluminum guiderails
- Available in Chrome or Brushed Nickel Finish
- **IMPORTANT! All measurements should be taken only AFTER walls are finished (tile, back walls, etc.)**
- **Professional installation recommended**
