## Shower Seats

Create a convenient and safe place to sit in your shower space with a [Folding Shower Seat](#) from [DreamLine™](#). With an innovative and compact design, you can easily fold the seat down while showering or dressing and then fold it up and away for extra space when not in use. The seat is offered in a choice of teak wood or plastic. The natural teak wood has a rich color that will add warmth to the feel of your space, while the plastic version provides a practical and durable option.
