Description

The Linea collection of walk-in showers is a welcome addition to any contemporary bathroom. With its door-less design a Linea shower adds a flowing, tranquil and beautiful element to the shower experience. Features like adjustable U-channel for out-of-plumb walls, single or two panel configuration and left or right installation options make Linea a great choice for most shower projects.

Features

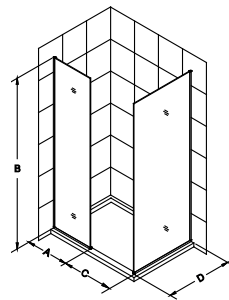

- Open entry doorless walk-in design
- $\frac{3}{8}$ " (10mm) thick ANSI certified tempered clear glass
- Anodized aluminum U-channel profile allows $\frac{1}{2}$ " out-of-plumb adjustment
- Chrome, Brushed Nickel or Oil Rubbed Bronze hardware finish
- Reversible for right or left side entrance
- Available in single or two panel configuration
- Optional SlimLine™ matching shower base available on some model sizes (sold separately)
