## Description

The Prime quarter round sliding shower enclosure from DreamLine has a space saving design paired with stunning style. The PRIME shower enclosure has two sliding panels that are flanked by two stationary panels that create a spacious center opening. This impressive quarter round enclosure has 1/4" thick ANSI certified tempered glass with either clear or frosted options. Anodized aluminum wall profiles allow the Prime shower enclosure to be as convenient with up to 1" out-of-plumb (vertical) adjustment on each side, as it is beautiful. Choose the Prime quarter round sliding shower enclosure to add the perfect finishing touch to your bathroom space.

## Features

- **IMPORTANT!** All measurements should be taken only AFTER walls are finished (tile, acrylic back walls, etc.)
- Semi Frameless glass design
- Two sliding panels, with 2 stationary panels on sides, create a spacious center opening
- 1/4" (6mm) thick ANSI certified clear or frosted tempered glass
- Full length magnetic door latch for water tight closure
- Hardware available in Chrome finish
- Optional SlimLine™ matching shower base and Q-Wall backwalls available (sold separately)
