

# Little GIANT®

---

SDS-9

SDS-10

---

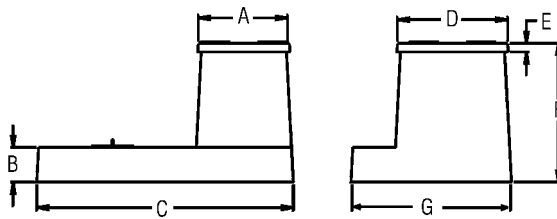

## Features

- SDS-9 includes a 4/10 HP sewage ejector pump (9S-CIM)
- SDS-10 includes a 1/2 HP sewage ejector pump (10S-CIM)
- Accommodates toilets, lavatories, bathtubs, showers or vanities
- Designed to accept many toilet styles and sizes
- Easy installation
- Polyethylene tank and lid with adaptaflex seals for a 2" discharge and 3" vent
- Includes 2" full flow check valve, vertical mechanical float switch and 30" length of 2" PVC pipe
- Includes water closet flanges and all hardware required

The Jackpot™ Utility Toilet Systems provide a way to add a sewage disposal system (SDS) in an existing home as a built-in or free-standing installation. Also, ideal for installations in basements, warehouses, factories and room additions.

# SDS-9

# SDS-10
