**MAINTENANCE AND CLEANING INFORMATION**

 Clean your Swanstone sink by using abrasive cleaners such as Comet, Ajax, Bon Ami, Soft Scrub, etc. Use of a Scotch-Brite pad, nylon scrub pad, or Mr. Clean Magic Eraser is also recommended. Food based stains can be removed using a 50/50 bleach and water solution and soaking for 15 minutes. For rust or other mineral based stains, products such as Rust-Out or Whink are acceptable. To restore luster and extend time between cleanings, Weiman's Granite Polish is recommended. **Do not** use SOS, Brillo or other metal scouring pads.
