

**SYMMONS**<sup>®</sup> Carrington<sup>™</sup>  
the smart choice<sup>™</sup>

Created to reflect a look of historical elegance and sophistication, the Symmons Carrington<sup>™</sup> tub and shower system is an expression of intricate lines and delicate details. This Victorian design will add character to any décor. Every Symmons Carrington<sup>™</sup> tub and shower system features the legendary Symmons Temptrol<sup>®</sup> Pressure-Balancing mixing valve. Constructed of solid brass, bronze and stainless steel, and featuring a piston that adjusts automatically to instantly and continually equalize or “balance” the hot and cold water pressure as demands are made elsewhere in the plumbing system. Symmons Temptrol<sup>®</sup> puts an end to “Shower Shock” and provides a safe, comfortable shower every time.

Symmons Carrington<sup>™</sup>  
is available in  
these finishes:

Polished  
Chrome

Radiance<sup>®</sup>  
Satin Nickel  
(STN)
