VorMax® Plus

Introducing the self-cleaning VorMax toilet that cleans the bowl with every flush.

How it Works

VorMax Plus technology infuses LYSOL® toilet bowl cleaner into the water with each flush, freshening the bowl day after day. Its powerful VorMax jetted scrub allows LYSOL toilet bowl cleaner to scrub the entire bowl, including under the CleanCurve® Rim. The VorMax Plus FreshInfuser™ is hidden in a compartment and easy to access. There's nothing unsightly hanging inside of the bowl. Each VorMax Plus FreshInfuser lasts 30 days or 360 flushes* and provides an ocean fresh scent. Daily use of the VorMax Plus toilet offers continuous freshness, flush after flush. Two VorMax Plus FreshInfuser packs are included with purchase of the toilet.
