

# General specifications

Whether selecting a submersible or non-submersible, emergency or permanent use multi-purpose pump, rest assured that your Red Lion pump is crafted to perform and last.

## Typical installations

Red Lion offers multi-purpose pumps for a complete range of household applications. Whatever you need, Red Lion has the pump for you. Our multi-purpose pumps are ideal for:

Removing or transferring water from basements, rooftops, hot tubs, crawl spaces, and general dewatering

**Models: MP16, MP25, MP25A, RL50CON**

Draining waterbeds, hot water tanks, appliances, aquariums, and other emergency dewatering needs

**Models: MPFVK115, MPFV12, MPDP, MPTC**

Boosting household water pressure for washing vehicles, sidewalks, and driveways, or for use in general water transfer applications

**Model: MPTC**

Removing condensation build-up from air handlers, boilers, furnaces, ice makers, and dehumidifiers

**Models: C15, C20ST**

Dewatering and water feature applications

**Models: RL-160U, RL-250U, RL50CON**

Pumping out flooded basements, livestock watering, flood irrigation, and general dewatering

**Model: RL-50, RL50CON**
