THE BUCKETEER

A TRUE ORIGINAL.

Bucket Boss® was founded on the original Bucket Boss, which turned a 5 gallon bucket into a revolutionary tool organizer. While holding more than a tool bag and keeping tools organized, the "B.T.O." has become an amazingly effective way to carry and store tools. This icon made its way into the hands of pros and DIYer's alike, and 30 years later the tradition lives on.

INTERIOR HAMMER LOOP

Fits most standard hammers

INTERIOR LONG TOOL LOOPS

Stores pry bars, levels, wrenches, flashlights etc.

INNER STORAGE SPACE

When all the pockets are filled, the inside of the bucket is left open for cords, drills, gloves and more

600 POLY RIPSTOP FABRIC

Field-tested strength and durability

30 ASSORTED POCKETS

Pockets made to fit a wide range of tools and supplies

REINFORCED POCKET BOTTOMS

Pouch bottoms resist wear with a double layer of 600 poly ripstop fabric

FITS A 5 GALLON BUCKET

Can be used on almost any 5 gallon bucket
