Heavy Duty Knee Pad Sleeves provide triple layer protection and all day comfort. Unique, compact design keeps knee pads close to the body and centered for a second-skin fit, allowing agility for working in tight spaces. Stay cool and comfortable with the lightweight, breathable mesh back. Can be worn under or over pants. Perfect for the jobsite and weekend tasks. Sizing chart available online.

Lightweight Knee Pad Sleeves provide all day comfort. Unique, compact design keeps knee pads close to the body and centered for a second-skin fit, allowing agility for working in tight spaces. Flexible EVA knee pad contours to leg shape for seamless comfort. Stay cool and comfortable with the lightweight, breathable mesh back. Can be worn under or over pants. Perfect for the jobsite and weekend tasks. Sizing chart available online.

Heavy Duty Hinged Knee Pads provide a durable, comfortable knee pad solution for the most rugged and tough environments. The gel and foam padded pockets maximize pressure distribution for ultimate comfort. While the large, rounded knee pad surface offers stability and agility when moving side to side for the best on the job performance. Quick-fasten buckle and hook and loop strap on top hinge and bottom ensure a secure fit. Perfect for jobsites requiring all-day heavy duty knee protection.

Hinged Gel Knee Pads are designed for all-day comfort and protection for the toughest jobs. The top strap is positioned above the knee to keep the pad centered in place. The multi-layer gel padding system is designed to support the knees and to reduce pressure and fatigue after all-day wear. Heavy duty synthetic rubber knee caps provide ultimate protection while allowing for side-to-side mobility. Quick-release clips and adjustable elastic straps allow for easy on/off.

Lightweight Gel Kneepads have slip resistant rubber caps to grip kneeling surface for enhanced stability and balance. Gel and EVA foam cushions the knee to help disperse pressure while kneeling and reducing wearer fatigue. Straps cinch tight for a comfortable, snug fit.
