GENERAL PURPOSE

The perfect gloves for everyday use. They keep you connected and protected with touchscreen-capable fingertips. The soft suede palm provides superior grip and durability great for any job. The breathable, flexible back of hand knit fabric improves dexterity and increases productivity at jobsites.

HEAVY DUTY

Gloves that are heavy duty for everyday work. They keep you connected and protected with touchscreen-capable fingertips. The TPR on back of hand, D30® palm padding and abrasion resistant palm patch adds protection while keeping the comfort for all day usage. The breathable, flexible back of hand knit fabric improves dexterity and increases productivity at jobsites.

D30® is a registered trademark of Design Blue Limited

COWHIDE LEATHER ALL PURPOSE

These leather gloves are made to last with the high abrasion resistant cowhide leather. The gunn cut design provides a better fit and high flexibility. Constructed with a dual layer split leather palm patch for added durability. The flexible thermoplastic rubber (TPR) pull tab is optimal for grip and control with a secure fit. The slip-on style is great for a quick and effortless on and off.

LEATHER ALL PURPOSE

These premium gloves are genuine professional grade leather work gloves. The durable palm features abrasion resistant material and the flexible back knit fabric maintains dexterity. The touchscreen compatible fingertips allow you to keep your gloves on to stay protected and connected.

WINTER THERMAL

Keep your hands warm on the job with Klein Tools' Winter Thermal Gloves. Constructed with Thinsulate™ lining that helps hands stay dry even in harsh winter conditions. The synthetic leather palm assists in maintaining dexterity and flexibility so you can continue working.

Thinsulate™ is a trademark of 3M Company
