

WORKSKIN™

LIGHTWEIGHT PERFORMANCE SHIRT

(SHORT SLEEVE + LONG SLEEVE)

Our WORKSKIN™ Lightweight Performance Shirts are designed for tradesmen who need their next-to-skin layer to dry fast, keep them cool, and protect them from harmful UV rays. These high-performance work shirts are made from moisture-wicking fabric that helps you stay dry, while the 100% polyester material dries fast and resists wrinkles, unlike standard cotton base layers.
